CIMG'S PROFESSIONAL MARKETING QUALIFICATIONS

he Chartered Institute of Marketing, Ghana (CIMG) witnessed the passage of the Chartered Institute of Marketing, Ghana Act, 2020 (Act 1021) by the Parliament of Ghana and, subsequently, assented to, by the President of the Republic. The Act establishes CIMG as a regulatory body with the dual objective to set standards for the practice of Marketing and regulate the practice of the Marketing profession in Ghana.

To this end, the official launch of the CIMG Professional Marketing Qualifications was held on April 29, 2021, with the first set of students to commence tuition in July and examinations slated for December of 2021. CHARTER STATUS AND EMPLOYMENT-DRIVEN CIMG QUALIFICATIONS

CIMG offers dual qualifications that are both academic and professional in nature.

The Master's degree is academic while the Chartered Marketer is the property of the Chartered Institute of Marketing, Ghana which is aimed at ensuring a high degree of professionalism and proper self-regulation. The CIMG will reserve the right to withdraw the privileged status at its discretion though subject to its internal rules and regulations. The syllabus therefore responds to the following emerging issues or challenges in curriculum design:

- i. Business Ethics
- ii. Digitalization of businesses, processes, and the emerging institutional development such as independent institutions like FinTechs.
- iii. Development of marketing insights using machine learning and big data.
- iv. Removal of the perception that marketers do not have a good appreciation of business finance and accounting.
- v. Why the CIMG qualification should be taken as a professional qualification and not like any other qualification.
- vi. What distinction CIMG designation gives its holders.
- vii. Future room for change and qualification development
